

2021 ILAPCO Spring Leadership Symposium Effingham

Day 2 (May 14th): Supervisors/Directors/Managers

09:00-09:40: Hiring in today's pandemic world.

How are you hiring during COVID? Using any new tools and techniques to keep the machine moving? How was your first Zoom-er-view? Is everyone else depleted or is it just Grundy?

9:40-11:00: Bullying and Cannibalism; it is time for a change of culture.

At the March event we spoke a lot about this topic. Let us keep the conversation moving forward and discuss how we are going to attack this problem in a meaningful way this coming year.

12:15-13:00 Open Chat

Jump in the Zoom chat and ask for help while you are eating your lunch. Others can respond in chat and we will also be unmuting people to elaborate if they need to use audio.

13:00-15:00 Legal Time with John Kelly

After a presentation on legal hot topics in 911, John Kelly will answer specific questions that have been submitted ahead of time.
